

GRAPPA WHITE

VINACCE OF ATINA D.O.C. CABERNET

Type: obtained from the distillation of the cabernet sauvignon pomace

Produced in: Alvito, Estate "Cominium"

Type of production: Alembic a 'Bagnomaria'

Grapes: Cabernet Sauvignon 80% Merlot 15% Cabernet Franc 5%

Alcohol: 40° C

Characteristics: transparent

Clarity: Limpid and transparent with an intense and evident luminosity

Aroma: Soft and Decided

Confirms the pathways of red berry fruit and wine liquorice from which the pomace comes from.

Taste: Soft and velvety

Perfectly paired with 'i brutti ma buoni' (local confectionery).
